

```
vac_utilities::mat  
_dis2loc
```

```
graph LR; A["vac_utilities::mat_dis2loc"] --> B["vac_vars::in_context"]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text `vac_utilities::mat_dis2loc`. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text `vac_vars::in_context`.

```
vac_vars::in_context
```
