

dtorh::dtorh1

```
graph LR; A[dtorh::dtorh1] --> B[str_utilities::r2str]
```

A diagram showing a call from a function to another function. On the left, a gray rectangular box contains the text 'dtorh::dtorh1'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'str\_utilities::r2str'.

str\_utilities::r2str
