

`num_utilities::lcm`

```
graph LR; A[num_utilities::lcm] --> B[num_utilities::gcd]; B --> B;
```

The diagram consists of two rectangular boxes. The left box is filled with a dark gray color and contains the text `num_utilities::lcm`. A straight blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text `num_utilities::gcd`. A curved blue arrow starts from the top of the right box and points back to the top of the same box, indicating a self-loop.

`num_utilities::gcd`
