

`num_utilities::shift_f`

```
graph LR; A[num_utilities::shift_f] --> B[num_utilities::c]; B --> B;
```

The diagram illustrates a state transition. On the left, a gray rectangular box contains the text `num_utilities::shift_f`. A straight blue arrow points from the right side of this box to the left side of a white rectangular box on the right. This white box contains the text `num_utilities::c`. Above the white box, a curved blue arrow starts from its left side and points back to its right side, indicating a self-loop or a return transition.

`num_utilities::c`
