A flow diagram with two rectangular boxes. The left box is gray and contains the text 'num\_utilities::calc' followed by '\_aux\_utilities' on the next line. A blue arrow points from the right side of this box to the left side of a white box on the right. The white box contains the text 'num\_utilities::fac'. A blue curved arrow starts from the top of the white box and points back to the top of the same box, indicating a self-loop.
